

## **Prayer Support Themes for QF&P A/NZ**

The Prayer Support Group, started in the 1980s, is based at Mt Eden. The Group meets monthly February to November to hold in the Light those who have asked for our support. We also uphold daily those who request a higher level of support. Most months we send out to those who have requested it a 'theme'. So that it can be pinned to fridges and noticeboards or kept in pockets and handbags we mostly keep the theme to a maximum of four lines. Sources of inspiration include Friends present and past, Aotearoa and Australia's Quaker Faith and Practices, the Aotearoa/NZ Friends newsletter and other writings, but they are often adapted to fit within the four-line format. Below is a selection of the many themes which have been used 2000 – 2021. For brevity we have removed the dates. We list the source when known.
