

## Friendship

This is a great opportunity for Junior Young Friends to meet up with other JYF from all other the motu and make life long friends.

## History

Quakers have a long history in Nelson, including a historic meeting house, and a member was involved in the Wairau Incident. We will learn our whakapapa in this area.

## Service

Another traditional part of JYF camp.

Wholesome vegetarian food and plenty of it is on the menu. Fees are \$120 for the week, subsidised by YM

## Bethany Park

Our theme:  
Peacemaking

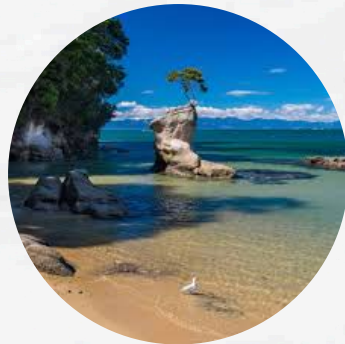

Our world seems  
further from peace  
than ever

Programme

We are on the  
edge of one of  
NZ's Great Walks,  
weather  
permitting we plan  
to get outdoors  
and enjoy the  
place we are  
staying

Do our Quaker beliefs  
have anything to offer  
us and our lives to  
bring peace to us and  
our environment?

There will be crafts  
(its a great Quaker  
tradition)
